Health Certificate

SCOOPER Energy Cool Grapefruit Extra Strong

According to the product specification of 04.07.2023 and email confirmation of 04.07. and 22.08.2023, the ingredients used in the product

"SCOOPER Energy Cool Grapefruit Extra Strong"

are harmless to human health and suitable for human consumption. The ingredients used comply with the legal requirements currently in force in Germany.

The check of the maximum levels of additives, labelling and analytical determinations were not part of the revision.

All information regarding the sample (except those recorded on site or at sample registration by Eurofins) have been provided by the client. This information can have an impact on the validity of the analytical results and the result assessment.

The results of examination refer exclusively to the checked samples as received.

Any publication of this report requires written permission. An excerpt publication is not allowed.

The decision rule of the LCHG will be applied if desired. Position paper from 25.04.2018.
